“ It is with deep sadness & regret that I will not be able to attend today. Patty was one of the most beautiful people I've ever known. I remember her braiding & fixing my hair as early as 3 as our parents were friends to becoming sisters in Christ, having daughter's the same age the laughter, the years, the talking me off the ledge a time or 2. Her spirit radiated. I'm deeply sorry. You are all in my prayers. Patty you live in my heart and so many others. Girl you were & will forever be so loved & remembered for your light.

“ So sorry for your loss. I remember as an adorable little girl full of smiles. I know she was special as she gave her life to serve others as a nurse. I can only imagine how many lives were touched by her caring. So sorry I couldnt make it for her service but you all were in my prayers as you remember what a difference she made in your lives and so many others.

“ Patty, your love was unconditional, your heart was true. I knew you for many years but was reunited with you through Carol Ann Perkins, just shortly after I reunited with her. You always seemed to be on a mission, but always had time for anyone who might need your ear. You, my friend, were "one of a kind" and to me, that was awesome. Fly high with the angels, I will miss you and always love you. Tina Norton

“ Patty you was a good friend to me. I remember us hangout and the kids would play and we was always doing something. Even though we stopped hangout like we did you was still a close friend and we left off like we just seen each other and you were always true. You are going to be very well miss by mine. I sure miss you.

“ Oh, what fun we had! Patty was a riot and YES always so positive! As teenagers we were so carefree with no cares in the world- driving the back country roads and talking - girl talk. The stories, laughs and secrets we shared will always be alive with her friends. She will be missed by many - God is lucky to have her. One day we shall meet again my friend - until then - watch over all your family and friends. Love you- Kami Brunnworth

“ Patty was a gentle kind spirit that never had a negative thing to say. She was loved by many and will be missed by many. My heart is broken for her and for her family. The only comfort is that she is with the angels now and I will see her again someday. I am blessed to have known her.
